In The Know: Understanding and Using Idiomatic English

Cindy Leaney

Intermediate to High-Intermediate

In the Know: Understanding and Using Idiomatic English is the last word on idioms as they are used today. Based on extensive research in the Cambridge International Corpus, *In the Know* has 40 four-page units that deal with idioms in contexts like communicating, money, and relationships; idioms that describe concepts such as danger, honesty, and success; and idioms based on key words such as colors and parts of the body. Idioms in each unit are usually presented in a short dialog or story; the practice pages that follow are divided into three sections - Focus on Meaning, Focus on Form, and Focus on Use - that provide dozens of different exercise types to help students master the phrases. A reference section gives definitions and examples from the Cambridge Dictionary of American Idioms to give students a resource for checking the idioms they've learned. An answer key is included.
