# Diagnostic Reading Assessment

This informational Reading Inventory will help you determine your student's word recognition skills, comprehension strategies, rates of comprehension, and general reading behavior. The Test provide word lists, oral and silent reading selections, and comprehension questions for reading levels 2-11. Based on the Fry Readability Formula.

## Reading Comprehension Placement

*A great tool to quickly determine reading levels!*

A fast and effective way to determine reading placement levels from pre-readiness to 12-plus and to discover instructional, independent and frustration levels. This program is perfect for developmental, remedial and education programs. Students work through word comprehension questions (including analogies and definitions) and reading passage comprehension questions. Readability formulas used include Spache, Fry and Dale Chall.
